Dick Fox has done it again! For the second time, he has brought home the Photographer-of-the-Year Award! He beat Stan Rohrer by a mere two points, and Kathy Moore came in third. Both Stan and Kathy are former P-O-T-Y winners.

As you can see in the photo above, Dick loves to enter humorous photos he has created in Photoshop. However, recently he has been entering a lot of photos which aren't humorous, and he's still obviously doing very well. Dick ran away with the Color Theme Print, the Extended Open Print and the Extended Theme categories.

# PRESIDENT'S CORNER

This will be my last edition of President's Corner, as my two-year term has come to an end. It has certainly been an adventure, and I'm turning over the leadership to our newly-elected President, Susan Willin. I wish her success with her new responsibilities, and am very confident she will provide great leadership into the future.

We have welcomed several very talented new members over the past couple of years, and this is important to continue our growth in membership and creativity.

I'm giving a round of applause to Linda Madden for her tireless work in planning club outings and providing information for photo opportunities.

Also, I want to thank all the board members for their support over the past two years in their respective positions.

I'm pleased to have had the opportunity to be President of Focus Photo Club, and look forward to our future!

Richard Fox
